Catatan Penilaian Paper oleh Reviewer:

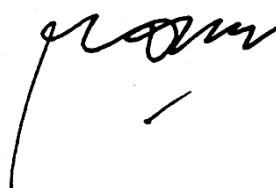

Jurnal nasional berakreditasi (2012). Tidak mencantumkan hasil analisis similaritas manuskrip. Materi publikasi sesuai kompetensi Pengusul.

Judul kurang dapat diterjemahkan oleh hasil dan pembahasannya, dan bersifat mencoba kecocokan alat rep-PCR untuk mengidentifikasi vibrio pada udang.

Pustaka cukup, tetapi hanya 5 buah yang digunakan membahas, itupun lebih cenderung hanya sebagai pembanding hasil bukan untuk menjelaskan. Banyak kesalahan tipografis dan tata bahasanya (Inggris) memerlukan perbaikan.
