This manuscript has undergone revision in the title in order to make the discussion more specific. It has been revised based on reviewer's suggestion. Corrections are as follow:

1. In order to specify the discussion, the author changed the title from "Health Promotion Using Book Cover and Video to Improve Street Food Safety Knowledge, Attitude, and Practice of Public Elementary School Students" to "FOOD SAFETY EDUCATION USING BOOK COVERS AND VIDEOS TO IMPROVE STREET FOOD SAFETY KNOWLEDGE, ATTITUDE, AND PRACTICE OF ELEMENTARY STUDENTS"
2. Abstract: Spellings and language have been checked and corrected
3. Introduction:
 - a. Spellings and language have been checked and corrected.
 - b. Numbers have been checked and corrected
 - c. Sample size for cases of diarrhea has been verified
4. Methodology
 - a. Spellings and language have been checked and corrected.
 - b. Intervention has been explained by elaborating details of book covers and videos, and how intervention had been conducted.
 - c. Instruments to assess knowledge, attitude and practice have been clearly explained
5. Result and discussion
 - a. Spellings and language have been checked and corrected.
 - b. Aspects of knowledge, attitude and practice, and how they were assessed have been explained
 - c. Spelling of 'Male' and 'independent' have been corrected
 - d. Title of figures have been shortened

This manuscript has never been published nor is being sent to another journal. We hope our manuscript can be published in Current Research in Nutrition and Food Science Journal.
