where HTML and Pdf copies are uploaded

“**Indian Journal of Forensic Medicine & Toxicology**” is a double-blind peer reviewed international journal. The frequency is quarterly. It deals with Forensic Medicine, Forensic Science, Toxicology, DNA fingerprinting, sexual medicine, environmental medicine, Forensic Pathology, legal medicine and public health laws. It has been assigned International standard serial No. p-0973-9122 and e-0973-9130. The Journal has been assigned RNI No. DELENG/2008/21789. The journal is indexed with Scopus, EMBASE. The journal is also abstracted in Chemical Abstracts (CAS) database. The journal is also indexed /abstracted with many databases.

This is an open access journal which means that all content is freely available without charge to the user or his/her institution. Users are allowed to read, download, copy, distribute, print, search, or link to the full texts of the articles, or use them for any other lawful purpose, without asking prior permission from the publisher or the author. This is in accordance with the BOAI definition of open access.

**Aim and scope of Journal** 1.The journal intend to publish articles related to research in specialties of Forensic Medicine, Forensic Science, DNA fingerprinting, Toxicology, Environmental hazards, Sexual Medicine, Forensic Anatomy, Forensic Anthropology, Forensic Odontology, public laws, articles of immense medico-legal importance etc

2.Case reports, original articles and review articles are welcome.

3.The research regarding new concepts is encouraged.

4.We encourage research from developing countries.

5.The journal is open access.

### Important Information

**Manuscript Submission fee** - There is no fee for manuscript submission. Manuscript can be submitted any time. Submission is always open

**Manuscript Processing Charges-** We charge for manuscript processing from authors. Authors must pay charges only if the article is accepted for publication. The charges are per article. If some author does not want to pay, he can withdraw his article.

The charges are as follows

1. India and SAARC countries- Indian Rupees 10000/
2. Rest of world - US \$ 200

**Rebate / waiver policy** - Editor can give rebate/ wave off charges depending on author's status like student, no funding from any source, research from developing countries or research of exceptional status. Please write to Editor giving justification for rebate. Editor's decision is final and binding.

**Digital archiving Policy-** the issues of the journal are archived into PKP PN (Public Knowledge Project), LOCKSS and CLOCKSS

**Review Policy for articles-** The journal follows double blind peer review policy for all articles. Once the article is received, it is forwarded to our two reviewers after removing names of authors and their affiliations. Authors are also not informed names of reviewers. Reviewers send their comments in due course of time and these comments/ queries are forwarded to authors to make corrections or offer explanations. Once the reviewers are satisfied with corrections in manuscripts or explanations given by authors, authors are conveyed the decision of acceptance of article. If author/s refuses to make corrections as suggested by reviewers, manuscript is rejected for publication.

**Plagiarism checking policy-** The journal has zero tolerance policy for plagiarism. We regularly use software Dupli checker for detection of plagiarism.

**Licensing Policy** Articles in Indian Journal of Forensic Medicine & Toxicology journal are Open Access articles published under the Creative Commons CC BY License Creative Commons Attribution 4.0 International License [Creative Commons CC](https://creativecommons.org/licenses/by/4.0/) . This license permits use, distribution and reproduction in any medium, provided the original work and source is properly cited.

**5. Copyright Policy Authors who publish with this journal agree to the following terms:-** - Authors retain copyright and grant the journal right of first publication with the work simultaneously licensed under a Creative Commons Attribution License [Creative Commons CC](https://creativecommons.org/licenses/by/4.0/) that allows others to share the work with an acknowledgment of the work's authorship and initial publication in this journal.

-Authors continue to retain publishing rights to the article without restrictions.
