## Proof Reading Certificate

To whom it may concern,

This is to confirm that the document described below has been submitted to GriyaSains for editing and proofreading.

We certify that the editor has corrected the document, ensured consistency of the spelling, grammar and punctuation, and checked the format of the sub-headings, bibliographical references, tables, figures etc. The editor has further checked that the document is formatted according to the style guide supplied by the author. If no style guide was supplied, the editor has corrected the references in accordance with the style that appeared to be prevalent in the document and imposed internal consistency, at least, on the format.

It is up to the author to accept, reject or respond to any changes, corrections, suggestions and recommendations made by the editor. This often involves the need to add or complete bibliographical references and respond to any comments made by the editor, in particular regarding clarification of the text or the need for further information or explanation.

We are one of the largest proofreading and editing services worldwide for research documents, covering all academic areas including Engineering, Medicine, Physical and Biological Sciences, Social Sciences, Economics, Law, Management and the Humanities. All our editors are native English speakers and educated at least to Master's degree level (many hold a PhD) with extensive university and scientific editorial experience.

Dear Fronthea Swastawati, Putut Har Riyadi, Hersanti Sulistyningrum, Sepsina Resky, Slamet Suharto,

I am pleased to inform you that your manuscript titled as "Comparison of Macro Nutritional Value, Dissolved Protein, Amino Acids and Minerals of Fresh and Crispy-Product of Anchovy (*Stolephorus commersonnii*)" (Manuscript Number: SRP-2020-09-1012 was accepted for publication in the Systematic Reviews in Pharmacy. Following are Reviewer's comments:

**Reviewer's Comments:**

- 1-For future study, it is suggested to determine vitamins quantitatively and qualitatively.
- 2-As it contain fat contents, it is important to find out various fats like % triglycerides, level of cholesterol etc in future study.
- 3-From nutritional value point of view it is important to find calorific values.

You could check your possible publication date at your author page.

You may login to your author account page, and visit accepted articles section in order to get official/formal acceptance letter as PDF.

I would like to remind that you could send your future manuscripts to Systematic Reviews in Pharmacy.

Sincerely yours,
