Dear Professor Iskandar,

Thank you for submitting your note entitled "How diversity of interest and power intensity of leaders may affect corruption of public resource in communities: insights from laboratory experiment" to Economics Bulletin. I would like to request a revision of your manuscript. I have attached any reports I have received as well as a decision letter that details what is needed at this point.

I suggest that you also prepare a separate set of responses to the referee's outlining the changes you make in your revision. When you are ready, please click on the "submit revision" link at the journal's main page. You will be able to upload your revised manuscript and the responses mentioned above. I look forward to seeing your revision. Thanks for your interest in the Economics Bulletin.

Sincerely,

John P. Conley
