

Your Paper has been confirmed and Reviewed.

ISOMPHS

UM Conference

Message From UM Conference Dec 12 Oct 2020

From: isomphs@um.ac.id

On behalf of Scientific Committee of The ISOMPHS 2020, we are pleased inform you that the review process of your manuscript with title: Physical Activity of Diabetes Mellitus Patients with Hypertension Has Been Completed. Here is the review result for your manuscript.

Comments to the Author:

Dear author,

Thank you for considering the 2nd International Scientific Meeting on Public Health and Sport (ISOMPHS) for publishing your manuscript. Peer review of your manuscript is now complete. Revision is required toward your manuscript before it will be proceeded for publishing.

1. Please revise the manuscript according to reviewer's comment

2. Strictly follow manuscript template and author guideline. You can download the full paper template and the author guideline at <http://isomphs.fl.um.ac.id>

Reviewer's comment is enclosed here with this email. Please send us your revised manuscript to this email latest by 19 October 2020.

Decision: Minor Revision.

Revised manuscript can be downloaded through this link: [Download](#)

For your attention, your manuscript will be sent to Publishing Editorial after it has been revised based on the comments of all reviewers. The entire review process will be conducted by the Publishing Editorial. There is a possibility that the Editorial will reject your manuscript. Therefore, please ensure that your paper format is appropriate with Paper Format. For more detail, please also open the Author Guideline in Publishing website.

Please submit your revised manuscript through this link: [Submit Article](#)

For your information, the deadline of submission is 19-10-2020.

Thank you very much for your cooperation. If you have future concerns, please let us know.

Click this Link [Submission](#) to see your Submission, or you can login from our landing page with your email on <http://isomphs.fl.um.ac.id>

Niken Saffri Dyan K.

Dear committee,

Thank you for this valuable information regarding our manuscript. However, I need to inform you that we can not open the link available to download our reviewed manuscript. So that, I need your confirmation about what we should do next to revise the manuscript?

Thank you for your understanding. And we need your confirmation soon in order to revise based on the reviewer's comments.

with best regards,

Niken Saffri Dyan K.
