Dear Restu Kusumawardani,

Reviewers have reviewed and provided comments on the manuscript that you sent. The reviewer advised the author to revise the manuscript. Please revise and upload the revised manuscript and supporting documents again.

"You have 14 (fourteen) days from now to revise the manuscript, if it is not submitted until the deadline, then the manuscript will automatically be rejected."

The two files that need to be uploaded for the revision of the manuscript are:

1. Manuscripts / Articles that have been revised in MS Word
2. Responses to reviewers' comments in a separate file, also explain where the improvements are located (pages, columns, rows).

To upload the revised manuscript, please do it online at <http://ejournal.undip.ac.id/index.php/teknik> after you have logged in as Author. Then, click "Active" and click on the manuscript title. In the header "#xxx Summary" there is a taskbar "Summary", "Review", "Editing", then click on "Review". In the "Editor Decision" section, please upload the two files in the "Upload Author Version" section by clicking Browse File, then clicking "Upload".

Thank you for your cooperation and trust in you for publication in the {\$ journalName} Journal.

Best regards,

Dear Restu Kusumawardani,

All the Editors and Reviewers congratulate Mr / Mrs Restu Kusumawardani for the article submitted to journal TEKNIK, with the title: Synthesis and Performance Evaluation of Magnetized Modified Coal Fly Ash as Adsorbent for Naphthol Blue Black Dye Removal from Synthetic Dye Wastewater is ACCEPTED for publication.

Furthermore, the article will go into several stages to adjust to the format determined by the journal TEKNIK, such as layout, copy edit, and proof read author. This stages require good communication and cooperation between the author and the journal manager. All processes are time-limited, so the delay in the Author's response will cause delays in Publication. If the deadline is over then the decision ACCEPTED will be revised and may become REJECTED.

Starting from 2020, the author is charged with article processing charge Rp 1.000.000,- for Regular OR Rp 1.300.000,- for Fast Track Review. It must be paid before the article is published through the journal TEKNIK. The VA account number will be informed soon.

Thank you for your contribution to the journal TEKNIK.
