Dear Enny Probosari

Thank you for submitting your article entitled: "Relationship between body mass index, handgrip, and cognitive status on frailty status in elderly women."

Based on our author guidelines, Your article fulfilled the minimal required structure, <https://balimedicaljournal.org/index.php/bmj/pages/view/authorguidelines>

In order to have a better-structured article, we suggest you edit based on a checklist, the simplest way, you may use the Publons review checklist.

According to the new International regulation, please input your detail in the article:

1. Ethical clearance number. If your work is a case series or case report, please send us the patient informed consent (in English) and fill out the ICJME for that can be found on author guidelines.

(Unconfirmed)

2. Please state your conflict of interest in the paper. **(Confirmed)**

3. Please state the funding (if any) in your paper.

(Confirmed)

4. Please state each author contribution.

(Unconfirmed)

I also need you to fulfill the ICJME author form, and state the author contribution in the attachment below.

According to our agreement from memorandum of understanding in 4th ICTMHS, you will be charged for APC (article processing charge) with a special price after a consecutive revision received.
