Kepada: nyoman suci <nyoman.suci@fk.undip.ac.id>

Dear Authors,

Thank you for submitting your article entitled: **"Genetic heterogeneity of thalassemia major patients in Rembang Regency, Central Java, Indonesia"**.

Based on our author guidelines, Your article fulfilled the minimal required structure,

<https://www.balimedicaljournal.org/index.php/bmj/pages/view/authorguidelines>

In order to have a better-structured article, we suggest you edit based on a checklist, the simplest way, you may use the Publons review checklist.

According to the new International regulation, please fulfill the requirements below:

1. Ethical clearance number/statement (author statement) and/or informed consent at the end of the manuscript **(Confirmed)**.
2. Please state your conflict of interest in the paper. **(Confirmed)**
3. Please state the funding (if any) in your paper. **(Confirmed)**
4. Please state each author's contribution. **(Confirmed)**
5. How does the author make sure that Sysmex XN-1000 hematology analyzer and Sebia capillary zone electrophoresis devices are in good quality control? Does a thorough preanalytical evaluation have been conducted prior to the study? Please clarify your answer in the methods section.
6. Please determine further regarding the Sanger method with a dye terminator in DNA sequencing.
7. What is the statistical software analysis used in this study (e.g SPSS, SAS, STATA, etc)? Please clarify your answer in the methods section.
8. What is the inclusion and exclusion criteria used by authors in this study? Please clarify it further in the methods section.
9. What is the sampling technique used in this study (e.g Purposive, Consecutive, Convenience, Random Sampling, etc)? Please elaborate it further in the methods section.
10. What is the limitation of this study? In addition, what are the best suggestions for the further-future studies regarding those study limitations mentioned by authors? Please elaborate it further at the end of the discussion section.

Please revise your article with the missing details, and send it back to us in **7 days**.

In addition, I do need to remind you that Bali Medical Journal is free to submit and Open Access for our readers. However, if your manuscript is accepted for publication, as the author, you will be charged **1,500 USD for APC (not included proofreading)**.

We encourage all authors to submit a narrative abstract video of the manuscript. **A special waiver of 250 USD is given to all authors who submit their narrative abstract video throughout 2023** (<https://www.balimedicaljournal.org/index.php/bmj/pages/view/journalinfo>). Narrative abstract video must be conducted in a brightly lit room, wearing a neat shirt with a collar. Any institutional or university attributes should be used.

Please **confirm** if you agree with this information.

Thank you for trusting us with your hard work

Warm regards,

Editorial Board Member
