Hello, Dr. Fulyani, I am sending you your article. Our editor checked the content. There are still some minor problems, please correct them.

Also, it is necessary to proofread your article by a certified English professional (translator) or by an English proofreading company like [proofreadingservices.com](http://proofreadingservices.com)

- add missing bibliographical data
- correct tables (add numbers to rows)
- make English proofreading (we will need confirmation of this proofreading)
- add some pictures to improve the visual attractiveness of the article

Assalammualaikum wr wb

Mbak Ela, articlanya sudah hampir tahap akhir acceptance hanya saja editor meminta proof read untuk articlanya, dimana ini berbayar lagi.

Tadi saya sudah cek untuk proof reader ynag disarankan , ratenya cukup mahal yang paling murah itu 7 dollar per 250 kata. Coba Mbak ELa tanya dengan teman yang kemarin publis di sini juga jasa certified proof readernya bagaimana.

Silahkan koreksi artikelnya sesuai arahan type setter kalau diputuskan tetap akan submit ke sini.
