Editor Decision
Eva Annisaa':

We have reached a decision regarding your submission to DIPONEGORO MEDICAL JOURNAL (Jurnal Kedokteran Diponegoro), "CORRELATION BETWEEN KNOWLEDGE AND BEHAVIOR OF USING VITAMIN C SUPPLEMENTS AMONG HEALTH AND NON-HEALTH STUDENTS IN CENTRAL JAVA DURING THE COVID-19 PANDEMIC".

Our decision is to: send it back to you to be revised

Santoso Jaeri

Reviewer A:
This article has been well written. At first it seems simple but offers depth to the discussion. As far as possible do not write down the significance number, maybe not write it in 0.000, but please state it in multiples of 10 (5.2×10^{-5}). Otherwise use terms $p < 0.001$ and such.
