***** BE AWARE OF SCAM ATTEMPTS - PLEASE READ *******

There has been a recent surge in fraud attempts against Frontiers authors. Please be alert if someone contacts you from a fake email address that pretends to be a Frontiers Staff member providing you with a fake invoice or payment instructions.

- Frontiers will always contact you from a @frontiersin.org or @frontiersin.com email address.
- We never amend payment details via email.
- Scammers might try to contact the corresponding author and/or the payer to request a payment, or to request an additional payment. The accurate invoice is always available in the payer's account and in the corresponding author's account (if different) on our website. If you don't have one yet, please register with this email address. You will find the invoice in My Frontiers > My Invoices

If you have any doubt or believe to have followed the wrong instructions, please reach out to us at

We look forward to your future submissions!
