LETTER OF ACCEPTANCE

5th December 2016

Primary Author : Mr. Chrismianto

Paper Title: ANALYSIS OF RESISTANCE AND EFFECTIVE WAKE FRICTION DUE TO ADDITION OF STERN TUNNELS ON PASSENGER SHIP USING CFD

Dear Author,

Congratulations on the acceptance of your extended abstract in ISOCEEN 2016. And thank you for your interest in this great Seminar. On behalf of the Conference Committee, I would like to formally invite you to present your paper in the 4th International Seminar on Ocean and Coastal Engineering, environment and Natural Disaster Management (ISOCEEN 2016).

ISOCEEN 2016 aims at providing discussion forum countries to exchange their knowledge of research and development for researchers and experts in the field of Ocean, Offshore, Coastal engineering, environmental and Disaster Management

After you present your paper in the Seminar, you should complete your full paper and follow review process based on schedule (<http://isoceen.its.ac.id/submitted-paper/>). We will inform anything about this process by e-mail. So make sure you always check your email.

After the seminar, the full paper must be submitted and will be reviewed to be aligned with the requirements published in *IOP Conference Series: Earth and Environmental Science* indexed in SCOPUS. The template for full paper can be downloaded through the guidance for authors.

With this information, we will send an invoice for you. You can pay the invoice by account number which present in (<http://isoceen.its.ac.id/payment-confirmation/>).

We look forward to meet you on 13th Desember 2016.

Best Regards,

Suntoyo, S.T., M.Eng., Ph. D
Chairman of ISOCEEN 2016
