Dear Author,

Please find the attached Reviewer Feedback of your manuscript "Deca Convolutional Layer Neural Network (DCL-NN) Method for Categorizing Concrete Cracks in Heritage Building".

Kindly revise your paper as per the feedback attached here with and send us an updated version following the SAI Paper format (attached). Please submit your camera ready paper (both .docx and .pdf format) on or before January 21, 2023 for publication in IJACSA January 2023.

Tentative Publication Date - 1 February 2023

If you have prepared your paper in Latex, there is no need to submit a .docx file (Submit Latex sources with .pdf file). You may download the Latex Paper Format from http://thesai.org/Home/Downloads

Our publication team is experienced in handling most of the formatting issues in the manuscripts. While there are instances when an issue cannot be resolved, only in those cases the manuscript may be shifted to the next issue. There will be no other extra charges nor there will be any liabilities. We are fully committed to the satisfaction of the authors and are always there to assist you in the best possible manner.

Thank you for considering IJACSA as a medium for publication of your work.

Regards,
Editor
IJACSA
The Science and Information (SAI) Organization

P.S. You can now rewatch the keynote talks from previous conferences, all available for free on our Youtube channel. Press play and get inspired!

To: Editor IJACSA <editorijacsa@thesai.org>

Dear Sir,

 Could you give us an extended date for us for revising the paper?
