Reconstruction Of Public Health Service Supervision Based On Justice Values
 RD Irianto, J Hafidz - ... Journal of Research in Social Sciences, 2017 - indianjournals.com
 Public health services in Indonesia still face complex problems, mainly health services implemented by public hospitals and community health centers in district and city governments, it is the responsibility of the state/government that the fulfillment of the basic needs of health is in accordance with the mandate of the 1945 Constitution. The emergence of various public complaints against public services in the field of health proves that justice has not been felt and accepted proportionately. It is contracted with the ideal legal purpose ...
