Dear ISPFVF Participants

Thank you very much for your kindness to submit the revised manuscript for publishing at IOP Conference. For participant who didn't submit the revised, the last accepted version by committee will be used and submitted to IOP as final version.

We also would like to announce, since the participants for ISPFVF were divided into 3 groups of publication, so the minimum number of requirement to be accepted in IOP was unable to be achieved. Thus, committee would like to collaborate with other food symposium to be accepted in IOP: International Conference on Food Science & Technology 2018 (ICFST'18).

Thank you very much.
Sincerely,

ISPFVF Committee for Publication
