Archives as a Defense System of Indonesian Maritime Sovereignty

ALW LitaTyesta, [A Diamantina](#) - 2018 3rd International ..., 2018 - atlantis-press.com

Archives are unique and irreplaceable heritage passing through generations. Archives are managed from creation to preserve their value and meaning. They are authoritative sources of information underpinning accountable and transparent administrative actions. Archive system is also essential to preserve the legitimacy of sovereign state especially when it comes to border protection. Given the fact that Indonesia is a strategic archipelagic maritime state in which its borders are defined by the outermost coastal lines of the outermost small ...
