The Development of Regional-Head Election Concept without Suspect

MA Tanjung, [R. Saraswati](#), LT ALW - SHS Web of Conferences, 2018 - [shs-conferences.org](#)

Election of regional-head candidates without suspect as choosing leaders with integrity and quality as well as without legal problems is a realization of democratic election. Empirical facts show that 2018 regional-head election involves some regional heads identified as suspects. Laws needs to be able to answer such facts. Therefore, this study investigates the legal framework of regional-head candidates' requirements and the development of legal concept of regional-head election without suspect. This study is normative juridical, and ...
