Dear Muflihatul Muniroh,

Your article's galley proof is now available for proofreading:

MS-ID: REVEH.2020.0026

Muflihatul Muniroh: Methylmercury-induced pro-inflammatory cytokines activation and its preventive strategy using anti-inflammation N-acetyl-L-cysteine: a mini-review

Please find below the link to access your galley proof. Please check it carefully and upload your corrections by 06 July 2020.

[Click here to access your galley proof.](#)

For Online Proofs:

Please use Firefox, Google Chrome or Safari to access the proof. The browser Microsoft Edge is not being supported.

For PDF Proofs:

The attached User's Guide provides step-by-step instructions for inserting your corrections.

When making corrections, please always adhere to the requirements below.

- Mark your corrections directly within the PDF file or on a printed copy.
- DO NOT modify any source files (.doc, .tex, etc.) or the text in the PDF!
- Confirm that all authors' names and affiliations are listed correctly.
- Check all hyperlinks within your article (text, footnotes, references) for accuracy and functionality.

If you want to use KUDOS (www.growkudos.com) for your publication, please click [here](#) to enter your "Plain Language Summary".Once you submit your galley proof, any corrections will be implemented and your article will be published online at www.degruyter.com.

Sincerely,
TNQ Vendor

Dear Dr. Muniroh:

I would like to thank you for submitting your manuscript entitled "Methylmercury-induced pro-inflammatory cytokines activation and its preventive strategy using anti-inflammation N-acetyl-L-cysteine: a mini-review" to Reviews on Environmental Health (REVEH). Your manuscript has been reviewed, and it is a pleasure to accept it for publication in REVEH. The comments of the reviewer(s) are included at the bottom of this letter.

The REVEH production office will contact you for proofreading in the near future. Your article will be published ahead of print as soon as possible, and in the printed edition at a later time.

Thank you for your fine contribution. On behalf of the Editors of Reviews on Environmental Health we look forward to your continued contributions to the Journal.

Kind regards
Dr. Zahir Islam
