Dear editor in chief IJPHRD

Thank you for the acceptance letter.

Out of topic, if I submit one new manuscript today can it be published in the end of 2018 or in the early 2019 (perhaps january) because I need to fulfill obligation of work of research in 2018. If it can be, I would not mind to give an extra cost for publication charges (in other journal, it called fast tracking so need spesial price).

Looking forward to hearing from you soon.
