Dear Editorial Board Member,

Thank you for the manuscript review. Please find our responses below and attached the revised manuscript with the changes colored in red within this email.

1. Ethical clearance number/statement at the end of the manuscript. **(Unconfirmed)**

Ethical clearance number stated under Methods section. Added at the end of manuscript (page 8) as requested.

2. Please state your conflict of interest in the paper. **(Confirmed)**
Page 8.

3. Please state the funding (if any) in your paper. **(Confirmed)**
Page 8.

4. Please state each author's contribution. **(Confirmed)**
Page 8 and 9.

5. Does the author(s) already assessed the validity and reliability of the Sexual Satisfaction Questionnaire (SEXSAT-Q) following translation from English to Indonesian prior to being used as research tools in this study?

Efforts has been made to ensure the validity and comprehensibility of the translated questionnaire by 2 forward translations, reconciliation, 2 backward translations, finalization of questionnaire and pilot testing involving 10 patients with breast cancer in outpatient clinic. Necessary details are added in the revised manuscript.

6. Please mention the statistical software used in this study.

The descriptive analysis of the data was performed using Microsoft Excel for Mac 2011 Version 14.4.1 (Microsoft Corporation, Washington, U.S.) with basic formulas; stated under Methods section (page 4).

It is our best intention to create a manuscript that satisfies the standards of Bali Medical Journal. Please let us know if you need anything else.

Kind regards,

Yan Wisnu Prajoko
