Person With Disabilities Protection Prospects Against Discriminatory Behavior

LT ALW - International Conference on Ethics in Governance ..., 2016 - atlantis-press.com

This research aimed to determine the prospects of persons with disabilities protection against discriminatory behavior in Semarang. The research method is normative and empirical legal research using the laws approach (statutory approach), and the conceptual approach. Results of the study found that the government of Semarang have prospects in providing protection and fulfillment of the rights of persons with diasabilitas of discriminatory behavior. Constitution of the Republic of Indonesia Year 1945 does not set a specific ...
