Dear Dr. Diana Chilmawati,

I well received the revised paper. We also received the processing fee.

More soon.

Thank you very much!

Cordially yours,
Claudiu Gavriloaie

Dear Dr. Diana Chilmawati,

I have the pleasure to send you the complete review for your high quality article. We only had few minor comments. For addressing them, kindly use the attached document only and **use a bright color to highlight the changes you will do.**

We also did some editing work.

Concerning the processing fee of 250 USD + bank charges, please pay it by using one of the two variants below and then send me a scan copy of the transfer document.
I will look forward to your reply.

Thankfully yours,
Claudiu Gavrioloaie, PhD
editor-in-chief AACL Bioflux journal

1st variant of payment:

Beneficiary: Bioflux SRL

City: Cluj-Napoca,

Country: Romania, European Union;

SWIFT CODE of the bank: BTRLRO22

Account no. 213USDCRT00L2861401

IBAN:

USD: **RO68BTRL**01302202L28614XX (Cluj-Napoca)

EURO: **RO19BTRL**01304202L28614XX (Cluj-Napoca)

Bank:

BANCA TRANSILVANIA

Important! When bank transfer is used to pay a publication fee, please pay attention to which modality of payment you chose! There are three options: Ben, Our, Us.

Use always "Us" option (meaning that all the bank transfer costs are in your concern/ authors support them and not the publisher). If you forgot to mention that and you let the bank to set "Ben" or "Our" options, we receive about 220 usd instead of 250 usd. Such payments are not valid and you need to pay again for the rest of the sum and one more transfer charge.

2nd variant of payment:

via Paypal. If you can process such a payment we can start the online form. For this variant, please contact dr. Petrescu-Mag (zoobiomag2004@yahoo.com).

Dear Claudiu Gavrioloaie, Ph.D

We have done a final check of our article. We found there were a few errors that we needed to revise. We made a few revisions to 2 things, in the abstract section and the Material and Method-General information section.

The revision we did was to change "42 days" to "90 days" (in abstract) and add the sub-sentence "with cultured period of 90 days" (in Material and Method).

The part that we revised, we give the yellow label.

Apart from that, everything is correct.

We are sorry for the inconvenience.

Best regards,
Diana Chilmawati
