Dear Dr. Tita Elfitasari,

We are now able to send you the complete review for the paper submitted to our journal. The idea of the study is so original, and the paper itself is of really high quality, despite some English issues.

For addressing the comments, kindly work in the attached document only and highlight with a bright color the changes you will do. Our red corrections need to stay as they are, so we can easily distinguish between them and your upcoming ones.

Concerning the processing fee of 250 USD (+ bank taxes), pay it through one of the two variants below and then send me a scan copy of the bank document.  
I will look forward to your reply.

Thankfully yours,  
Claudiu Gavrioloaie, PhD  
editor-in-chief AACL Bioflux journal

If you forgot to mention that and you let the bank to set "Ben" or "Our" options, we receive about 220 usd instead of 250 usd. Such payments are not valid and you need to pay again for the rest of the sum and one more transfer charge.

**2nd variant of payment:**

via Paypal. If you can process such a payment we can start the online form. For this variant, please contact dr. Petrescu-Mag (zoobiomag2004@yahoo.com).
