Dear Khairul Anam

This is with regard to your submitted manuscript, 81378-RJMP-AJ, titled Chemical Constituents and Inhibition Xanthine Oxidase Activity of *Avicennia marina* Exudate, submitted to Research Journal of Medicinal Plants on November 12, 2016 for consideration as a Research Article.

The above mentioned manuscript has been finally accepted by the Reviewer for publication in Research Journal of Medicinal Plants as Research Article. Corresponding author may download the final acceptance letter after log in to his/her account.

Before we can continue with final production, it is mandatory to pay Article Processing Charges. All articles published in our journals are open access and freely available online, immediately upon publication. This is made possible by an article-processing charge (APC) that covers the range of publishing services we provide. This includes provision of online tools for editors and authors, article production and hosting, liaison with abstracting and indexing services, and customer services. The APC, payable when your manuscript is editorially accepted and before publication, is charged to either you, or your funder, institution or employer.

Corresponding Author may download the invoice after log in to his/her account.

Therefore, It is requested to please pay the Article Processing Charges urgently so that we may send your article to the Production Department for final publication.

We look forward to hearing from you.

Regard
Madiha Saeed
Academic Editor
Research Journal of Medicinal Plants
