Dear dr. Purnawan Adi Wicaksono:

First of all, we apologize for the very lengthy review period.

In order to evaluate your paper entitled "Optimizing Raw Parts Procurement and Inventory Under Excess Demand Values and Unknown Prices in Post Pandemic Situations via Fuzzy Programming", it is requested the action listed below.

After that, please resubmit your paper for a second round of review.

Sincerely,  
Dr. Santolo Meo, Editor-in-Chief of International Review on Modelling and Simulations (IREMOS)  
santolo.meo@unina.it

Reviewer Responses:

The paper passed the first round of the review but no notification to the authors has been sent due to a bug in our system. The authors are kindly asked to submit again their proposal so it could be evaluated in a shorter time for a possible publication.

Please accomplish the following remarks of the reviewers before resubmitting the article:

- Notations should be moved in the Nomenclature section before the Introduction.
- At the end of the Introduction add a paragraph on how the rest of the paper is organized and developed, typically a summary on the rest.
- The conclusion is weak. In the Conclusions, the authors should state the scope and the aims of this investigation, along with important research directions on this issue.
- In the Conclusion paragraph the Authors could propose further improvements to be set for their proposal for a future development.
- An effective discussion on the results proposed by the authors should be provided.
- English grammar and style should be carefully revised.
- The revised version of the paper should be sent in doc or docx version.

Dear IREMOS Editor(s),

We apologize for the late update on the revision, we did not receive a notification from the system, and we just noticed the revision notification from the website.

We have revised the manuscript carefully based on the review comments. We also have uploaded the file in doc format. We believe that the manuscript is now much better.

Regards,  
On behalf of the author(s)  
Purnawan

Dear dr. Purnawan Adi Wicaksono,

Manuscript ID 21552 entitled "Optimizing Raw Parts Procurement and Inventory Under Excess Demand Values and Unknown Prices in Post Pandemic Situations via Fuzzy Programming" which you submitted to our Journal "International Review on Modelling and Simulations (IREMOS)" has been reviewed. The comments of the reviewer(s) are included at the bottom of this email.

The reviewer(s) have recommended a MAJOR REVISION. This is an opportunity for you to respond to their major concerns and to incorporate improvements in the paper according to their suggestions. It is also an opportunity for you to add new results. We normally only permit one major revision before an accept or reject decision is made. So please take the concerns of the reviewers seriously.

Therefore, I invite you to respond to the reviewer(s)' comments and revise your manuscript within two weeks from the date of this email.

If it is not possible for you to submit your revision in a reasonable amount of time, we may have to consider your paper as a new submission. You should revise your manuscript using a word processing program and save it on your computer. Please also highlight the changes to your manuscript within the document by using the colored text in red.

Once the revised manuscript is prepared, you can upload it and submit it through your on-line submission system. In order to expedite the processing of the revised manuscript, please be as specific as possible in your response to the reviewer(s).

Once again, thank you for submitting your manuscript to our Journal and I look forward to receiving your revision.

Sincerely,  
Dr. Santolo Meo, Editor-in-Chief of International Review on Modelling and Simulations (IREMOS)
