Reviewer A:

Overall Evaluation

Your overall evaluation for this submission:

Excellent paper

Reviewer Confidence

Confidence of your expertise in the subject areas of the submission:

High

Presentation
Writing and expression

Good

Analysis
The depth of the analysis and the use of empirical data:

Medium

Discussion
The quality of discussion of the related work :

Good

Technical Soundness
The soundness of the proposed works:

Good

Originality
The novelty of the work:

Good

Review
Please provide a detailed review, including justification for your score. This review will be sent to the authors.
This field is required.

- 1. The topic is very interesting and contemporary, you need to look for several journals that discuss the same thing so you can find the novelty
2. It is necessary to strengthen discussions regarding the use of private land for public access through related journals.

3. Discussion or analysis is adjusted to the problem formulation

Managing Editor,
Journal of Architectural Design and Urbanism
