Dear Nurhadi Bashit, ST., M.Eng.

The reviewer has sent the findings of a manuscript review with the ID JGEOSREV-19613 to us. Please correct the manuscript strictly according to the attached reviewer's comments. Manuscripts will not be considered without revisions made following the reviewers' recommendations. In addition to making improvements to the research manuscript, please fill in the attached revision table (comment review) to make it easier for the reviewer to check the conformity of the comments with the author's revisions. It is requested that the revision of the manuscript that has been corrected be marked with the part that has been revised (e.g., in yellow), so that the reviewer can easily check back on the repaired parts. Results of repairs: Please be corrected immediately and send it back to us in less than seven days (no later than June 28, 2023). Please send it according to the deadline date via email at geosrev@ung.ac.id so your manuscript can be processed further.

Best regards,
Managing Editor
