The screenshot shows a Gmail interface with a search bar at the top containing "ICSGTEIS". The left sidebar displays the "Compose" button and a list of folders: Inbox, Starred, Snoozed, Important, Sent, Drafts (with 11 items), Categories, Social, Updates (with 6 items), Forums (with 1 item), Promotions (with 8 items), and More. Below these are "Labels" including Personal and More. The main email view shows an email from "icsgteis=unu...@edas.info" to "me, Nur, Rusnaldy, Yunus, Andiko, Ajay" dated "Fri, Sep 15, 2023, 3:02 PM". The subject line is "[ICSGTEIS 2023] #1570955038 has been uploaded". The email body contains a thank you message for uploading the review manuscript for paper 1570955038, which is titled "Design and Evaluation of an AR-Based Maintenance System for a Steam Jet Ejector of a Geothermal Power Plant". It also provides a link to modify the paper and view submissions at <https://edas.info/index.php?c=30763> using the EDAS identifier "paryanto.undip@gmail.com". The email concludes with "Regards, The conference chairs". At the bottom of the email view, there are buttons for "Reply", "Reply all", "Forward", and a smiley face icon.

Lampiran 2: Decision on the manuscript: Accepted with revisions – 16 Oktober 2023

Browser window showing an email from ICSGTEIS 2023. The email subject is "[ICSGTEIS 2023] Your paper #1570955038 ('Design and Evaluation of an AR-Based Maintenance System for a Steam Jet Ejector of a Geothermal Power Plant')". The email is dated Mon, Oct 16, 2023, 6:34 AM.

The email content includes:

- Greeting: Dear Dr. Paryanto Paryanto:
- Congratulations: your paper #1570955038 ('Design and Evaluation of an AR-Based Maintenance System for a Steam Jet Ejector of a Geothermal Power Plant') for ICSGTEIS 2023 has been **ACCEPTED**. Please note that the paper must be presented orally (on-site or online) during the conference and will be published in the Proceedings of ICSGTEIS 2023 and submitted for possible publication to IEEE Xplore (subject to the fulfillment of conditions outlined below).
- The reviews are attached below. Please carefully incorporate any required changes to the final version of the paper to increase the chance of publication in The IEEE Xplore. The reviews can also be accessed at [1570955038](https://www.ieee.org/conferences_events/conferences/publishing/templates.html).
- CAMERA READY PREPARATION: Please prepare the final (camera ready) version of your manuscript according to the IEEE template for conferences: http://www.ieee.org/conferences_events/conferences/publishing/templates.html and select the A4 Paper Format.
- Your final manuscript must undergo a pdf-express check before submission, and then the pdf-express generated file must be uploaded to EDAS (<https://edas.info/N30763>). This process will be explained in more detail shortly, via the "Author and Submission Guidelines" web page: <https://icsgteis.unud.ac.id/author-and-submission-guidelines/>.
- A pdf-express generated file is mandatory to ensure that your paper can be submitted to The IEEE Xplore. Please note that the page length limit is 6(six).
- The deadline for the camera ready upload is **October 22nd** and has to be done through EDAS (<https://edas.info/N30763>). Please do not wait until the last day to avoid last minute problems.
- REGISTRATION AND PRESENTATION: To be published in the Proceedings of ICSGTEIS 2023 and possible publication in The IEEE Xplore®, an author of an accepted paper is required to register for the conference at the corresponding rate and the paper must be presented (on-site or online) by an author of that paper.
