Dear Authors,

Thank you for submitting your article entitled: "**VESICO-PERITONEAL FISTULA IN GUILLAIN-BARRE SYNDROME: A RARE CAUSE OF PERITONITIS**".

Based on our author guidelines, Your article fulfilled the minimal required structure,

<https://www.balimedicaljournal.org/index.php/bmj/pages/view/authorguidelines>

In order to have a better-structured article, we suggest you edit based on a checklist and the collection in our archive (<https://www.balimedicaljournal.org/index.php/bmj/issue/archive>).

According to the new International regulation, please fulfill the requirements below:

1. Ethical clearance number/statement and/or informed consent at the end of the manuscript (**Confirmed**).
2. Please state your conflict of interest in the paper. (**Confirmed**)
3. Please state the funding (if any) in your paper. (**Unconfirmed**)
4. Please state each author's contribution. (**Confirmed**)
5. Based on our proofreading application, we detected 103 critical grammatical errors.
6. In affiliation please change into Universitas Diponegoro
7. Please change the abstract into several sections: introduction-case-conclusion
8. In the introduction please explain the mechanism of urinary retention briefly
9. Please explain the aims of this case report at the end of the introduction
10. Please sign the pathology in the figure radiology finding. (e.g arrow, circle, etc)
11. The sentence below is suitable to be explained in the introduction

Guillain-Barré syndrome (GBS) is an autoimmune acute inflammatory polyradiculoneuropathy. The incidence ranges around 0.62-2.66 cases/100,000 person-years across age groups and increases by 20% per 10-year as increased age. The relative risk for male is 1.78. GBS can have multiple clinical findings related to polyradiculoneuropathy...

12. In the discussion section please compare with your case report first, before treatment explanation
13. In the discussion section please explain the conclusion briefly, without the definition of GBS.
14. Please put the citation after the dot sign "."

According to our reviewers, your article needs moderate revision. Attached is the commentary file from our reviewers. Please read it carefully and revise your manuscript accordingly.

Please revise your article and send it back to us in **7 days**

In addition, I do need to remind you that Bali Medical Journal is free to submit an Open Access for our readers. However, if your manuscript is accepted for publication, as the author, you will be charged **1,000 USD for APC**. Your article will also be subjected to proofreading and editing (Formatting, Lay outting, and Galey) which costs **100 USD**.

Dear Authors

After considering the suggestion from reviewers and also the quality of your revision we decided to accept your manuscript for publication. We are sorry for the lengthy process but the editing team has to meet the review points provided by your reviewers. Meanwhile, your manuscript still needs several revisions according to our checklist (commentary file attached below). Your manuscript plagiarism score is 45% (file attached below). There are some words that are plagiarized, please correct it.

Attached below is the invoice for your article and please use the rate from your bank when you want to pay in IDR. Also please send us the proof of your payment through this email, so we can process your article for publication. Your LoA will send as soon as we confirm your payment.

Congratulations on the acceptance of your article. We are looking for your future publication

Dear Author

Your manuscript is already appropriate with the last commentary file that has been sent. Meanwhile, your manuscript was a 31% plagiarism report. Meanwhile, our editor fixed it, until the plagiarism report was 23%. There were also several revisions suggested by our reviewer that have been edited by the editor. Thus, here we attached the final edit for your manuscript and the plagiarism report file.

We gladly said that the manuscript was appropriate for publication. We attached the final manuscript file and final commentary answer from the reviewer. We hope you check again your final manuscript before we continue the galley approval process. Please let us know If you agree to publish your final manuscript. If you have any fixation, please send the manuscript back to us immediately.

Thank you for your cooperation and for trusting us with your hard work
